## Agenda

Welcome - Jill Spengler

### Reports:

Principal report - Nicole Pagan

- 3/3 is Kindergarten Registration
- Leadership Committee met and would like to put on a dance. They proposed a "lucky for you dance" where kids can bring someone special. Vanessa proposed 3/21 from 6:00-7:30. Concerns were expressed regarding fitting everyone into the cafe/gym. Proposed having a 4th grade formal (could be a drop off) or move dance to the spring as an end of year dance. Ideas were suggested to have a photo op or move the dance to a saturday afternoon. Discussion was tabled for another time.

Teacher report - Nicole Pagan

- Colette sent an email to the PTO regarding providing the finances for bounce houses. Projected cost would be \$700. Nichole P. asked if we could look into slides. We need to check and make sure that the bounce house providers have insurance. We discussed editing the Field Day schedule so kindergarten would be allowed to use bounce houses.
